DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE SITES

Use to selectively control/suppress broadleaf weeds and diseases growing in lawns.

Pests:

Controls or suppresses weeds such as but not limited to: Black medic (*Medicago lupulina*)[§], Broadleaf plantain (*Plantago major*)*, Bull thistle (*Cirsium vulgare*), Canada thistle (*Cirsium arvense*)*, Common chickweed (*Stellaria media*)[§], Creeping buttercup (*Ranunculus repens*), Creeping Charlie/Ground Ivy (*Glechoma hederacea*)*, Dandelion (*Taraxicum officinale*), Dovefoot geranium (*Geranium molle*)*, English Daisy (*Bellis perennis*)[§], False dandelion (*Hypochoeris radicata*)*, Healall (*Prunella vulgaris*)*, Lawn burweed (*Solvia ptero-sperma*)*, Narrow-leaved plantain (*Plantago lanceolata*)*, Oxalis (*Oxalis* spp.)*, Prostrate knotweed (*Polygonum aviculare*)*, Shepherd's-purse (*Capsella bursa-pastoris*)*, Silverweed cinquefoil (*Potentilla anserina*)*, Speedwell spp. (including Persian speedwell

USE SITES Continued

(*Veronica persica*) and Slender speedwell (*Veronica filiformis*)*, White clover (*Trifolium repens*), Wild Chamomile (*Matricaria chamomilla*)*, Wild Geranium (*Geranium robertianum*)*, Moss, liverworts*, algae*, and lichens*

Controls or suppresses diseases such as but not limited to:
Dollar Spot*, Rust*, Snow Mold*

*not for use in California

§only approved for suppression in California

APPLICATION DIRECTIONS

Shake well before using. Do not dilute. Thoroughly spray weeds. Use a coarse nozzle setting to reduce drift. Repeat treatment in 3 to 4 weeks for best results.

WHAT WILL I SEE?

Works quickly; dying weeds will be seen within hours of application. Treated weeds, moss or algae will turn brown or black. Occasionally, a darkening of the grass leaf blades can occur after treatment; however the grass will recover within a few days to weeks. May stain thatch (dead grass under lawn), this does not affect the health of the grass.

USE PRECAUTIONS

Do not apply to drought stressed grass; ensure lawn is well watered prior to application. Do not apply when the daytime temperature will exceed 85°F. Do not apply to bentgrass. If unsure of grass sensitivity, test spray a small area of your lawn. Do not apply to newly seeded areas prior to grass seed germination. Avoid spraying desirable plants. Any desirable plants or structures accidentally contacted should be rinsed with water. To avoid staining, wait until treated area dries before re-entry. Do not apply if rainfall is expected within 3 hours of application. Do not irrigate within 3 hours of application. Do not apply to the same area more than 4 times a year, not including spot treatments.

FIRST AID

IF IN EYES

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For medical emergency information, you may call toll free 1-800-858-7378.

STORAGE & DISPOSAL

Pesticide Storage: Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals. Store unused material, tightly closed, in original container only, away from open flame.

Pesticide Disposal and Container Handling: Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes slight eye irritation. Avoid contact with eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

ENVIRONMENTAL HAZARDS

For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

WARRANTY

Bonide Products, LLC warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions. To the extent consistent with applicable law, the seller shall not be liable for damages caused by buyer's use of product contrary to label directions or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Seller makes no other warranties, either expressed or implied.
